**TEACHER SPOTLIGHT**

**JAMIE SAUNDERS**  
**GEORGIA SCHOOL FOR THE DEAF**

Jamie works at Georgia School for the Deaf the past 8 years. This year is her 6th year teaching at GSD. She received her Bachelor’s degree from Art Institute of Pittsburgh and received her master degree in Deaf Education at Valdosta State University in 2013. “I love working with Deaf/HH children to guide them to have a sense of pride of being Deaf and know their Deaf history. As George Veditz stated- A lifelong gift from God.”

“I wanted to say from the bottom of my heart. Thank you to my GSD family for all of their teaching, shared experiences, knowledge and love. I gained so much experience from all of my colleagues, especially students. I love you all, my students- I am honored and humbled to have this precious gold and green hearts from GSD. I also want to thank my family and friends for supporting me on my journey as a teacher. I couldn’t complete this accomplishment without you all”

- Jamie Saunders
ACTFL: AMERICAN COUNCIL ON THE TEACHING OF FOREIGN LANGUAGES

WORLD LANGUAGES EXPO NOVEMBER 22-24 2019

ACTFL EXPO IS WHERE LANGUAGE EDUCATORS FROM AROUND THE WORLD COME TO GATHER! THEIR GOAL IS TO PROVIDE A PROFESSIONAL DEVELOPMENT EXPERIENCE THAT WILL IMPACT ON LANGUAGE EDUCATORS AT ALL LEVEL OF TEACHING & IN TURN TO HELP THEIR STUDENTS SUCCEED IN THEIR LANGUAGE LEARNING PROCESS.

Photo: Workshop led by two other Deaf presenters. Half of the room were hearing (teaching another language) and the other half were ASL teachers. This photo is all the ASL teachers that were there including several ASLHS sponsors.
“It was a wonderful experience. It’s amazing to see other world language teachers learn about the presentation I shared along with my co-presenter. My first presentation was at the round table. There was one French, one Chinese, and a couple of other language teachers along with ASL teachers. Second presentation, three Spanish teachers and two Japanese teachers. Other Heritage and World Language teachers check us ASL teachers out to see how our ideas can apply to their language teaching- How cool is that?!“
